

Legionella Filter “Gipure” for Dental chairs

Technical specification

“Gipure Cartridge Filter”

Specification	
Material	PVC-U
Maximum water temperature	40°C
Minimum / Maximum water pressure	2 bar / 6 bar
Lifetime	14 months
Efficiency for reduction of bacteria	99,9999% (log 6)
Type of filtration	Ultrafiltration
Membrane surface	0,18 m ²
Membrane type	Multibore membrane
Pore size of membrane	0.015µm

Art. nr.	Discription	Connections (BSP)		*Capacit y	Dimensions HxWxD (mm)
